Hidden Places Guides

"Don't leave home without them"

The Hidden Places series is a collection of easy to use, soft-back travel guides, printed in **full colour**, covering the British Isles through both national and regional titles which explore counties and major tourist areas in a relaxed but informative way. The guides are packed with information on the more secluded and less well-known visitor attractions and include details of places to eat, stay and drink as well as covering the more established places of interest. New editions of *The Hidden Places* guides are normally published every two years.

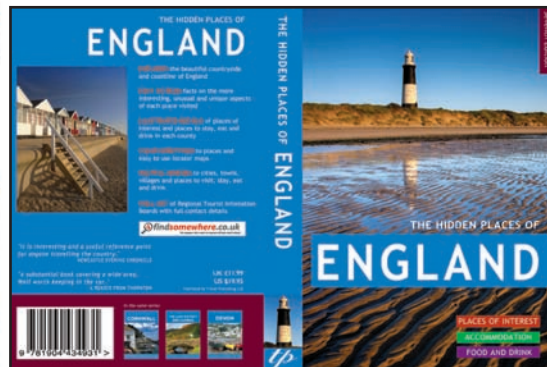

Welcome to the new look Hidden Places

Travel Publishing has recently undertaken a major overhaul of the Hidden Places cover design and page layouts.

The new look will be applied to all titles published from June 2010, with *The Hidden Places of England* setting the standard. These changes are exciting, and we think they significantly improve the usefulness, accessibility and appeal of the Hidden Places guides. Other titles in the series which will be published in 2010 are *The Hidden Places of Yorkshire* and *The Hidden Places of Northumberland & Durham*.

Editorially the Hidden Places will continue Travel Publishing's commitment to exploring the more interesting, unusual or unique places of interest in Britain and Ireland.
